COUNTLESS AGAIN HIMSELF

J. G. GREENER'S GOOD RACER QUALIFIES BRILLIANTLY FOR FLORIDA SPECIAL.

Carries 122 Pounds to An Easy Victory in Overnight Handicap at Moncrief and Is Regarded as Likely Winner of Next Saturday's Valuable Stake.

Jacksonville, Fla., March 14.—Large fields went to the post in a majority of the races at Moncrief Park this afternoon. The public had a good line, favorites and second choices winning five of the six purses. Arany, Countless and Amoret were the successful favorites. Light showers fell during the afternoon for the first time since December 14 and the horsemen generally welcomed the change, as a little rain will improve the track wonderfully. Countless showed a good performance in the mile and a sixteenth handicap. He picked up 122 pounds, made all of his own pace and won easily by a length from White Wool. Countless was a well-supported favorite and went to the post at evens. On his race today, he looms as the likely winner of the valuable Florida Special to be run on Saturday. Governor Gray, a Derby eligible and a starter in this race, finished third. There was an accident on the first turn, when Princelike, getting caught in a jam, was knocked sideways and fell heavily. Jockey McTaggart fortunately escaped unharmed. When Princelike fell, he did not strike the boy and, although stunned for a few minutes, the lad finally recovered sufficiently to ride in the last two races. He finished second with Elmeta Hamilton and won the closing dash with Summer Night.

Arany took the two-year-old race by coming from behind to beat Mary Lee Johnson a length. The winner was entered for \$600 and was boosted to \$905 last Lon Johnson. She was protected and bought in by James Blute.

John Walters shipped his three-year-old, McIvor, back to Churchill Downs, Louisville, this morning. McIvor did not show Derby form here and Mr. Walters did not wish to take any chances of running the colt over the track again, because of the freacherous footing.

A. G. Weston is reducing his string. J. W. Pangle will probably take Maxentius, while J. Farrell is after Court Jester.

HILDRETH HORSES BEGIN GALLOPING.

Training Operations in East Somewhat Backward Because of Unfavorable Climatic Conditions.

Recause of Unfavorable Climatic Conditions.

New York, March 14.—This has been a vexatiously backward spring for the training of race horses. The Long Island tracks, in fact, got their spring weather in January and February, when galloping racers would have been the height of folly, and the cold snaps of the last two or three weeks with their accompanying show storms and freezes made it impossible for them to begin work when they should have. But, thanks to warm weather during the past few days, the frost is very nearly out of the ground and Sheepshead Bay, Gravesend and Belmont Park are beginning to take on a truly business-like bustle of mornings.

Thomas Healey. Silas Veitch and the trainer of the Carman horses are the most active of the morning workers at Belmont Park. They are preparing the most precedous of their charges for racing at Norfolk in Aoril. The Belmont horses at the Westchester Association's great plant in Nassau County will be saved for Belmont Park, and it is improbable it at William Hogan will have anything ready as early as the first of April. Hogan's most promising jumpers, Agent and Brushbroom, the former the property of Bartlett McLennan of Canada, and the latter of R. T. Wilson, are destined for 'chasing at Belmont Park. Toronto and Montreal.

The big main course at Sheepshead Bay is not as good as it will be later on but the mile course, popularly known as the "yearling track," is in capital condition and S. C. Hildreth has begun the galloping of his horses lover it. Mr. Hildreth's stable is the only racing establishment of consequence at Norfolk the last week of the Jamestown Jockey (Tub's spring meeting.

James McLaughlin is the busiest man at the old Gravesend course, which is as popular as ever with the trainers. He is sending his two and three-year-olds quarters in 26 and 27. Mr. McLaughlin has always been an early man and when he lands at Norfolk he will have two or three horses ready for the races.

DUNNE COLORS VICTORIOUS AT JUAREZ.

Sebago Scores in Handicap Feature of Mexican Card -Plunge on Mr. Dock Goes Wrong.

El Paso, Tex., March 14.—Thé card provided by Secretary Jasper today was a fairly good one, and as it was ladies day a fine crowd turned out. The feature of the day was a handicap for three-year-olds, which numbered among the contestants several prominent Juarez and Kentucky Derby eligibles. Jim Basey was accorded the post of honor in the betting, his good showing against Trance seeming to warrant the supposition that he would be returned the winner. The smart set showed a disposition to give W. G. Yanke's good colt, Quartermaster, the cold shoulder, because he had never shown anything with weight up. Pat Dunne sprung the surprise with Sebago, which lightly weighted contestant rushed into an early lead and made every post a winning one.

into an early lead and made every post a winning one.

It was one of the most disastrous days of the meeting for the followers of form, not a solitary choice being returned winner, although the two winning second choices were fairly well backed. The day was replete with surprises, the most notable of which was the success of the trick horse, Charlie Rothschild, in the last race after one of the most sensational plunges of the meeting had been made on Mr. Dock. The latter was backed from 20 down to 7 with wagers still going on as the horses went to the post. The horse, however, faited to show much speed.

Jockey S. Martin incurred the displeasure of starter Cassidy to the extent of ten days' suspension for disoledience at the barrier in the second race.

Pleasant, Gypsy Girl, Cotytto, Eleanor Stribling. La Toupee, Valley Stream and Renetta Z. were sold to J. C. Morris at private sale today. Mr. Morris will take his purchases to Zacatecas, Mexico, where they will be used for breeding purposes.

New York, March 14.—Superintendent William A. Gorman of the Westchester Racing Association's big plant at Queens has started in earnest on the work of putting the courses under his charge in shape for spring racing. The main and training courses, together with the steeplechase field, were dismantled last fall in order to give the aviators a clear field. A big force of men will be kept on the job reconstructing the timer's stand, steeplechase course and other parts of Belmont Park that were altered to meet last fall's requirements. Mr. Gorman estimates that the splendidly equipped park will be in its former excellent condition before the end of March.

mates that the splendidly equipped park will be in its former excellent condition before the end of March.

The rails of the training track were replaced during the winter and the soil is shaping up well. This is the favorite training ground in April and May for many of the big stables quartered at Belmont Park. The bottom is solid and safe and its uniform cushion, with a depth of one and three quarters inches, makes it a particularly good course for the preparation of horses under suspicion. Fortunately this year the major part of the horses in training at Belmont Park are perfectly sound.

With a continuance of clear weather trainers Thomas J. Healey, Louis Feustel, Silas Veitch, William Hogan and Richard F. Carman will at once commence training in the open. The stabling accommodations at the course are ideal, all of the larger barns being enclosed. This has enabled horsemen to send their charges along smartly for the past fortnight. Such preliminary exercise is essential for early spring racing. Several long gallops, with some sharp moves, will fit horses intended for racing at Norfolk and Baltimore.

Making Belmont Park ready for racing is the first practical move toward a season's racing on the New York tracks for 1911. It will gladden the hearts of local horse lovers and plans for their favorite pastine will be made forthwith.

Among the important stake events to be decided on this magnificent track this spring are the Belmont. For three-year-olds, at five-eighths; the Ladies, for three-year-olds, at five-eighths.

NOTES OF THE TURF.

The Maryland Jockey Club has renewed the Preak ness Stakes, the principal special for three-year-old during the coming spring meeting at Pimlico a \$2,000 added money, but increased its distance from one mile to one mile and an eighth.

A Hamilton special says that Smith & Perry Chicago have been awarded the ring privilege both meetings of the Hamilton Jockey Club tyear, which is evidence that the club does not tend to instal the pari-mutuel machines this season.

tend to instal the pari-mutnel machines this season. At Maisons-Laffitte, in France, yesterday W. K. Vanderbilt's Presight finished second in the Prix Sornette, for three-year-olds, \$1,200, distance three-quarters of a mile. In the Prix du Vieux Noullin, a selling event of \$600, distance one and one-quarter miles, Nash Turner's Friand II, finished second.

Judge Bingham, presiding in the Chancery Court at Louisville, Ky., sustained a motion on Monday to strike from the records a petition asking for an injunction against telegraph companies to prevent them from furnishing racing news. The pleading was in a suit brought by John Nicholson against Edward Alvey and Larry Lafenton to recover \$12,000 alleged to have been lost in bets on horse races.

Thomas Murphy, trainer formerly for David Gideon, is to have the handling of such herses as Herman B. Duryen races in France the coming season.

Mr. Duryen has under lease in France a splendid stock farm upon which lies a training track of seven-eighths miles. Murphy is looking after the Duryen stallions and mares. The famous American race horse, Irish Lad, winner of the Brooklyn Handicap of 1903, is at Mr. Duryen's French farm, which is situated near Chateau Villers, the foreign seat of August Belmont, near Dieppe, in Normandy.

TAMPA RACING TO GO ON INDEFINITELY.

Tampa. Fla.. March 14.—The bookmakers made another cleanup this afternoon, as five of the favories suffered defeat. Ideal weather again helped to a tract generous patronage, while the small fields tempted increased speculation. Some of the contests were interesting and resulted in close finishes. The announced intention of many owners to ship away this week has caused the management to come out with an announcement that the racing here will go on until March 25 at least, and that if conditions warrant the extension may be prolonged until well along in April. With a continuance of the racing here, the prospects for opening at Pensacola are growing slimmer, and the project will probably be abandoned. Owners here are not really in favor of a return to the gulf coast track. All the horses that have been racing here in the name of Wayne Joplin were transferred to Jacksonville today. Jockey Pick tellows with Louis Katz.

I. F. Kelly will ship his horses to Louisville on Thursday next. His filly Marbles will be taken along and an effort made to resume her training. Jockey C. White was suspended for three days by the judges for rough riding in the second race. Starter Murray suspended Jockeys McArdle and Whatley for two days for disobedience at the post.

JOYNER PREFERS ENGLISH METHOD.

Andrew Jackson Joyner, the American trainer, now located in England, has been giving The London Evening News his ideas on the subject of the time test in preparing horses What it all comes to is that he thinks a trial in the old-fashioned English method, with a horse, is more trustworthy than with the watch. He has been looking into the question closely since he went to England. In America courses are not so easy, or so severe, as in England. Here they are level, and the going differs little. Not so in England. One may have an easy course at Epsom or Brighton, and a difficult one as at Ascot or up the finish of the Bunbury Mile. Joyner went into details. "A fast sprinter." he says, "would run five furlongs in 57 seconds at Epsom, whereas it would take him fully 1:03 to do the five furlongs at Ascot." The wind has much greater effect than most people would suppose in his opinion. He told of galloping some two-year-olds on the Limekiins, five furlongs, the wind being favorable, and they covered this distance in 1:022. A week later he galloped the same animals over the same ground with the wind against them, and they took 1:073. "You take selling platers amongst themselves," he said, "and they will run fast, but put them with stake horses and they will be beaten in slower time. The reason for this is, they simply can't stay the pace with the stake horses." His conclusion is that under English conditions the time test does not amount to anything.
